Activity	Consolidate/redistribute bus stops to provide greater spacing and improved bus travel times. Prepare a comprehensive plan for bus stop consolidation/redistribution in Fremont that:

1. Takes into consideration the location of high-density residential areas and senior centers;
2. Limits the extent of additional walking distances;
3. Takes advantage of walking downhill;
4. Minimizes impacts on on-street parking and loading zones; and
5. Includes adequate public involvement.

Sub-Activity Work with the neighborhoods from Ballard to the U-District to advocate for funding the Ballard to U-District Transportation Improvement (BUDTI) Study. Including the southern corridor (Leary Way, 35th, 34th Pacific, Northlake), along with 39th/40th, and Market/46th/45th.

Summary This is a community-led project to work with other neighborhoods to advocate for funding the BUDTI study. The Wallingford community is developing conceptual plans for the South Wallingford Corridor, and the draft Ballard/Interbay station Area Plan calls for improved east-west transportation along this corridor. SDOT has developed an Urban Village Transit Network plan and is coordinating Seattle Monorail Project and Sound Transit on possible planning for access to their planned north-end lines, but there is no funding identified for the BUDTI Study in 2005.

Activity	Develop Fremont-specific sign board (sandwich board) design guidelines within the context of existing City of Seattle ordinance. Initiate action to apply the existing ordinance in the retail core. Assure ADA compliance.

Priority Fourth**Status:** Not started

Sub-Activity Develop Fremont-specific sign board (sandwich board) design guidelines within the context of existing City of Seattle ordinance. Initiate action to apply the existing ordinance in the retail core. Assure ADA compliance.

Summary Fremont businesses have long desired a way in which to advertise inexpensively by using signboards, A-frames, and sandwich boards. The Seattle Department of Transportation (SDOT) is responsible for permitting uses in the right of way. Keith Miller from SDOT is working with the City Law Dept. about implementing changes in the rules regarding sandwich board and other signs. The current direction is to develop a Director's Rule to regulate such signs citywide, rather than having neighborhood-specific guidelines that could be subject to legal challenge.
